

**Botanical Printmaking & Collage / Leaf, Paper, Print, Collage**  
**Pence Gallery**  
**Saturday, November 10 - Sunday, November 11, 2018**  
**10 am - 4 pm**

Enhance your art practice in inspiring and unique ways. Join us for a two day exploration into the world of botanical printmaking and collage; accessible art forms whether you're a newcomer or a seasoned artist. On the first day, using a variety of monoprinting techniques and plant materials, we'll make a series of beautiful and unique hand-printed collage papers. The following day we'll incorporate those handcrafted papers with archival collage techniques to create expressive and engaging works of art.

**Supplies:**

paper of all kinds, including tissue paper, text from old books, maps, old monoprints

inexpensive rice paper pad—available from Amazon, art supply sites (check “all departments”

acrylic paints: if you have them on hand

matte medium

If you already have a Gelli plate please bring it.

Supports: 2 - 9 x 12” or 12 x 12 x 1.5” wood cradled boards. Available from Dick Blick or other online art supply

X-acto knife with blades

scissors

ruler

small cutting board
